

The following bibliographical information is drawn from periodicals and books present in the archive of the Jazzinstitut Darmstadt. Our extensive periodical collection comprises more than 55,000 issues of some 1,050 jazz periodicals. Close to two-thirds of the collection has been indexed.

Following the more recent entries are abbreviations denoting the nature of the material in the respective articles. These symbols are:

[A] = analytical remarks
[B] = extensive book review
[BT] = blindfold test
[C] = concert review
[D] = discography
[F] = feature article
[I] = interview
["I"] = article written by the respective musician himself
[O] = obituary
[R] = extensive record review
[T] = transcription
