

Jazz Index – erstellt am 4. August 2010

---

**NEW COPY AND SCAN FEES / PLEASE READ CAREFULLY!**

The following bibliographical information relates to periodicals and books present in the archive of the Jazzinstitut Darmstadt. Our extensive periodical collection comprises almost 1050 periodicals, more than 55.000 single issues. About 60 % of the collection have been indexed.

Following the more recent entries you'll find abbreviations which will give you a clue about the nature in the respective articles. The abbreviations are:

- [A] = analytical remarks
- [B] = extensive book review
- [BT] = blindfold test
- [C] = concert review
- [D] = discography
- [F] = feature article
- [I] = interview
- ["I"] = article written by the respective musician himself
- [O] = obituary
- [R] = extensive record review
- [T] = transcription

**Scans & Copies:**

If you need copies of any of these articles, you should first try to contact a library near you. We scan/copy only small orders - up to 5 articles per order. If you find the abbreviation "[digi.copy]" behind an entry that means that this article has already be scanned. You can order up to 10 articles marked with "[digi.copy]". Please be aware that in a mixed order we will only accept 5 articles marked "[digi copy]" and up to 5 articles not yet marked as scanned.

We have to ask the municipal fee for any xerocopies or scanned copies - at the moment 0,50 Euro per page. There will be an added 5,00 Euro service charge for every 5 articles (!).

Any copies have to be ordered in writing, by fax or e-mail, giving the exact bibliographical data: author, title, periodical, year/month, pages, annotations ("[digi.copy]").

We will send you an invoice together with the copies.

If you visit the Jazzinstitut in person the copy costs will be cheaper (0,30 Euro per page) as you will collect the material yourself and replace it on the shelves after the copying process.

The Jazz Index is a service of the...
