If you find the abbreviation "[digi.copy]" behind an entry that means that this article has already be scanned. You can order up to 10 articles marked with "[digi.copy]". Please be aware that in a mixed order we will only accept 5 articles marked "[digi copy]" and up to 5 articles not yet marked as scanned.

We have to ask the municipal fee for any xerocopies or scanned copies - at the moment 0,50 Euro per page. There will be an added 5,00 Euro service charge for every 5 articles (!).

Any copies have to be ordered in writing, by fax or e-mail, giving the exact bibliographical data: author, title, periodical, year/month, pages, annotations ("[digi.copy]").

We will send you an invoice together with the copies.

If you visit the Jazzinstitut in person the copy costs will be cheaper (0,30 Euro per page) as you will collect the material yourself and replace it on the shelves after the copying process.
